Power Sector Skill Council

Minutes of Meeting

Meeting Title: Skill Development Initiatives in Transmission Sector

Date: 01 December 2025

Venue: Chintan Hall, 2nd Floor, CEA Office, R.K. Puram, New Delhi – 110066

Chairperson: Shri Ghanshyam Prasad, Chairperson, Central Electricity Authority (CEA) / President, Power Sector Skill Council (PSSC)

Participants: Representatives from Transmission Service Providers, EPC Contractors, OEMs, PSSC Officials, and Industry Partners (List Attached as Annexure – I)

Agenda

1. Strengthening skill development initiatives for the transmission sector.
2. Collaboration between PSSC, EPCs, and industry partners.
3. Integration of PM-Internship and job portal initiatives.
4. Adoption of advanced technologies for transmission (Central Tower Crane, drones, helicopters).
5. Development of Skill Development Centres (SDCs).

Key Discussions & Decisions:

1. Brief Synopsis & Suggestion

- Chairperson emphasised the need for a structured skill development roadmap for transmission projects, including 765 kV, 400 kV, and 220 kV systems.

2. Requirement & Future Plan

- PSSC to prepare a comprehensive plan in consultation with the EPCs & Industry partners for manpower training, monitoring, Assessment & Certification.
- Integration of PM-Internship data on the PSSC job portal (Vidyut Rojgar).
- Development of a **common curriculum** for all stakeholders; draft to be shared for comments and suggestions.
- All participants organization to share brief about skilling initiative undertaken by them. PSSC will combine all the data.

3. Industry Initiatives:

A. POWERGRID Initiatives

- POWERGRID has established four SDCs at:
 1. Malda, West Bengal
 2. Banka, Bihar
 3. Bassi, Rajasthan
 4. Itarsi/Rajgarh, Madhya Pradesh

Power Sector Skill Council

- POWERGRID has trained – 409, and ongoing training – 147. The ~209 trained participants has placed & ~200 participants available for the placement.
 - Plans to establish additional SDCs at Angul, Hosur, and other locations.
 - Upload details of trained participants from the **Junior Fitter program** and **PM-Internship engineers (300)** on the PSSC website.
- B. **SKIPPER** and other partners to share their skilling initiatives skilled manpower for ongoing projects.
- C. Adani plans to develop an SDC at **Godda (Jharkhand)** with batch sizes of 40–60 trainees; Chairperson advised visiting POWERGRID's Malda SDC for reference.
- D. RIL expressed interest in initiating skill development programs.
- E. SJ Infra to collaborate with MNIT Jaipur for new training infrastructure; advised to visit POWERGRID's Bassi SDC.

4. Coordination with EPCs

- PSSC to coordinate with POWERGRID & EPC contractors for planning and implementing skill development programs.

5. Technology Adoption

- Explore the use of **Central Tower Crane, drones and helicopters** for Transmission Tower Erection & stringing and maintenance activities.

6. Way Forward

- Upload PM-Internship and Junior Fitter data on PSSC Job Portal – “**Vidyut Rojgar**” for transparency and greater reach.
- Develop a common curriculum and certification post-assessment to maintain uniformity.
- Schedule a follow-up meeting to review progress.

Meeting concluded with Chairperson CEA emphasising timely implementation and strong industry collaboration.
