

विद्युत क्षेत्रीय कौशल परिषद
Power Sector Skill Council

The Power Sector Skill Council (PSSC) is an apex body promoted by the Ministry of Power (MoP) through the Central Electricity Authority (CEA), Ministry of New and Renewable Energy (MNRE), and the Indian Electrical & Electronics Manufacturers Association (IEEMA). PSSC is mandated to facilitate skill development across all verticals of the power industry— including Generation, Transmission, Distribution, Renewable Energy, and Power Equipment Manufacturing. It works in close coordination with industry stakeholders to ensure skill readiness aligned with the dynamic needs of the power sector.

02 Days Electrical Safety Training

for

Electrician Lineman & Helper in Power Distribution

Join us :   /Power Sector Skill Council   / psscindia  / psscindia.org

• Program will be delivered by PSSC certified Trainers

DAY - 01

- ➔ Inauguration & Introduction
- ➔ Introduction to Electrical Safety
- ➔ Electrical Hazards
- ➔ Safe Work Practices
- ➔ PPE- Selection & Usage
- ➔ Behavioural Safety & Complacency

DAY - 02

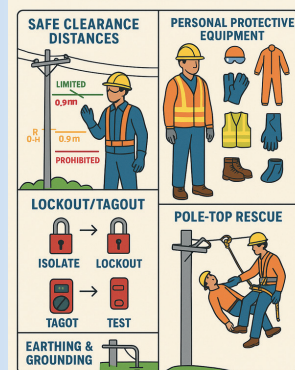

- ➔ Fire Safety Awareness
- ➔ Emergency Preparedness
- ➔ Case Studies & Lessons Learned
- ➔ Review, Evaluation & Certification
- ➔ Assessment

Key Benefits -

- ➔ Study Material on Safety
- ➔ Enhanced Safety Competence & compliance
- ➔ Operational Preparedness
- ➔ Workplace Risk Mitigation
- ➔ Certification by PSSC

ELECTRICAL SAFETY FOR POWER DISTRIBUTION SECTOR

Participant Range : Minimum 25 & Maximum 40

Fee Details

3.5 k per participant + GST as applicable
(Cost includes Training Certificate, Booklet, Handbook, Notepad, Pen & administration etc.)
