ADVERTISEMENT FOR ENGAGEMENT OF SECTOR EXPERTS

(For Implementation of PMKVY – RPL and STT Program)

The Power Sector Skill Council (PSSC) invites eligible and experienced recently retired professionals to submit their details for engagement as Sector Experts to support the implementation of the Pradhan Mantri Kaushal Vikas Yojana (PMKVY) Recognition of Prior Learning (RPL) and Short-Term Training (STT) programmes across various states in India.

Engagement Type: Assignment-based / project-based.

Engagement Location: Respective states, as per program requirements.

Remuneration: Daily remuneration @Rs.7,000 per day for work assigned and performed.

Duration: As per project requirements and assigned work.

Last Date of Application: 04th November, 2026.

Eligibility Criteria

- The professionals must be retired from Power Generation Companies, Transmission Companies, Distribution Companies (DISCOMs), or other relevant power sector organisations.
- The professionals must have retired within the last two years as on the date of submission of their details.
- Extensive professional experience in power sector operations, workforce management, technical training, electrical safety, or skill development will be preferred.
- The professionals should be willing to travel to designated states across India, as required for assigned work.

Indicative Roles and Responsibilities

- Coordinate with power utilities and other stakeholders for candidate mobilization and program implementation.
- Support the identification and mobilization of eligible candidates for the PMKVY RPL program.
- Facilitate implementation, monitoring, documentation, and coordination of training and assessment activities.
- Support compliance with applicable PMKVY guidelines and PSSC requirements.
