Power Sector Skill Council

Plot No. 4, Institutional Area, CBIP Building, Malcha Marg
Chanakyapuri, New Delhi – 110 021

Head (Research, Marketing): The position calls for detailed and intensive engagement with multiple stakeholders such as Power Utilities, players in Renewable Energy and Equipment Manufacturing Sector, NSDC, NCVET as also other service providers including Consultants to understand the skill concerns, to identify major job roles and facilitate the process of NOS/QPs development followed by other activities. The incumbent will also be required to play a strong advocacy role for marketing services of PSSC and ensure stakeholders satisfaction.

Among other things, he/she will also be responsible for intensive engagement with industry i.e. power sector, skill mapping and identification of skill gaps, development of National Occupational Standards and Qualification packs based on industry needs, creating awareness on career opportunities in Power Industries to job aspirant, generation of Labour Market Information System (LMIS) and its maintenance, signing Memorandum of Understanding (MoUs) with Industries, thereby promoting hiring of PSSC certified workforce, etc.

General:

The above position requires experience and ability in designing and implementing a range of skill development initiatives with exposure in areas of competency mapping, development of standards for jobs, etc. The incumbents must possess strong networking capability as also high level of communication, analytical and problem solving skills, learning ability and interpersonal skills. Ability to deal with ambiguity and uncertainties and being able to chart a course of action with clarity of thought and vision along with good team playing skills will be necessary. Detailed knowledge of various sub-sector and segments of Power Sector, Regulatory process, etc. will be necessary.

The above positions will ideally suit recently retired Power Sector professionals preferably from Engineering background, having held Senior level positions such as Deputy General Manager, Additional General Manager, Chief Engineer or equivalent. A strong domain knowledge of the sector coupled with zeal and passion to work for the Sector ability to take initiative and drive will be necessary.

This position is based in New Delhi and is contractual in nature for a period of three years, carrying a monthly amount of Rs.70000/- pm plus Rs.10000/-pm conveyance reimbursement. Desirous persons may send in their detailed CV, so as to reach the following address by 13.3.2023.
