

Empanelment of Trainer for Agro-Residue (Parali) Management Training Program

Urgent Requirement

PSSC, promoted by the Ministry of Power, CEA, MNRE, and IEEMA with NSDC support, facilitates skill development across the power industry, including generation, transmission, distribution, renewable energy, and equipment manufacturing.

Program Objective:

Under the SAMARTH Mission Biomass initiative, PSSC, sponsored by the Power Foundation of India, is conducting free skill development training on Agro Residue (Parali) Management for workers in pellet manufacturing plants in Punjab, Haryana, and Western Uttar Pradesh.

Trainer Role:

Selected trainers will:

- Deliver structured training modules at pellet manufacturing facilities as required.
- Guide participants on workplace safety, operational efficiency, best practices in agro-residue management, health & hygiene in agro-residue handling, electrical & mechanical safety, and operation & maintenance of pellet plants.
- Distribute training kits and certificates to participants.
- Collect attendance sheets and share them with PSSC.
- Arrange two-time high tea and lunch for participants (expenses will be borne by PSSC).
- Collect geotagged training session photographs and share them with PSSC.

Eligibility Criteria:

Educational & Experience Requirements:

- B.E./B.Tech (Electrical / Electronics / Instrumentation) with a minimum of 3 years of relevant experience, or
- Diploma (Electrical / Electronics / Instrumentation) with a minimum of 5 years of relevant experience.

Candidates with a background in training, power-sector processes, or agro-processing technology will be preferred.

Honorarium

- ₹10,000 per training day, plus travel allowance.

Timeline

- Application Deadline: 20th July 2025
- Interview: Within one week or as early as possible.
- Training Commences: As per plant schedules in Punjab, Haryana, and Western UP.

Application Process

- Send Documents To: ceo@psscindia.org
- Subject Line: Application: Trainer – Agro Residue (Parali) Management Training
